### Mouse

Description:

The Mouse layout is a fun and cute train track layout that is sure to bring a smile to any kid's face. Notice how our curved/curved switches (12FF6CC and 12MM6CC) and straight/curved crosses (22MF6SC) make this a fully functional setup. Curved gender changer pieces are a must for this layout to work.

Note: Please note that this layout was achieved using MeskoToys tracks and may not be feasible otherwise.
